Agreement/Jurisdiction: The person(s) whose signature(s) appear on this contract, known as "Client", agree that Geyer Photography - known as the "Photographer", shall provide services to photograph their wedding and related events to the best of their abilities, in the manner described in this document.

Coverage On Wedding Day: Wedding day coverage (8 Hours – Additional hours can be added). This includes coverage for pre-wedding getting ready locations, the wedding venue, reception venue, and any venue or location in between for photography use.

Retainer and Payment: Client shall reserve the time and date of services by signing and returning this contract along with a non-refundable, non-transferable reservation retainer of \$300. No date is reserved until the contract and retainer are received. The balance due for the photography services must be paid on the wedding event date. In the event Client fails to remit payment as specified, the Photographer shall have the right to immediately terminate this Agreement with no further obligation. Unless the contract is canceled, the retainer fee (\$300) shall be applied to the photography fee total.

Cancellation: In the event of the Clients cancelling the wedding for whatever reason the retainer fee of \$300 is non-refundable.

Reschedule: In the event that the Client reschedules the wedding and the Photographer is able to rebook the original wedding date with another wedding, the Client will receive credit for all monies already paid. A new contract may be required. The new package price will reflect pricing in effect when the date change occurs. In the event that Client reschedules the wedding and Photographer is not able

to rebook the original wedding date, Client forfeits the retainer but will receive a credit for all other monies paid. Credit may be applied to wedding coverage within one year of original date provided Photographer is available.

Liability/Damages: If Photographer is unable to perform any or all of the duties herein for any reason, all money received by Photographer will be returned to the Client, and Photographer shall have no further liability with respect to this agreement. This limitation of liability also applies to any loss/damage of photographs or failure to deliver photographs for any reason. The sole remedy for any actions or claims shall be limited to a refund whose total amount cannot exceed the total monies paid by Client under this Agreement during the time preceding the date on which such liability arises. In the event of equipment loss or damage resulting from a guest or the Client, the Client further understands that they will be held liable for recovery of any costs incurred as a result of such equipment loss or damage.

Photo Discs: Upon receipt of a photo DVD, Client accepts all responsibility for archiving and protecting the photographs. The DVD(s) will be delivered to the Client no later than three (3) weeks after the scheduled wedding date. Geyer Photography does save and backup your files, but is not responsible for the lifespan of any digital media provided or for any future changes in digital technology or media readers that might result in an inability to read discs provided. It is Client's responsibility to make sure that digital files are copied to new media as required.

Coverage: Photographer will provide coverage for the dates, locations and continuous hours specified in this Agreement. Additional travel or coverage hours may be added by agreement on the wedding day and must be paid in full before any photos or products are released to the Client. Any locations outside of Central Ohio will incur a "travel fee" (price will vary depending on location), and the Client will be notified prior to the agreement that an additional travel fee exists. Every reasonable effort will be made to take requested pictures, but no specific pose or photograph can be promised. Any lists supplied will be used for organizational purposes only.

Image Processing/Printing: Unless agreed upon prior to any editing work, high-resolution discs and/or proof sets may contain a mixture of color, black and white, and selective color images. An alternately colored version of a photo may be requested by the Client from the photographer at no additional charge. Full color correction and/or retouching are included at Photographer's discretion.

Copyright: All photographs taken by Geyer Photography are their property and the property of the Client involved. Geyer Photography reserves the right to use the images on their website, social media, as well as print and image displays at events, exhibitions, etc. A full copyright and print release will be issued with the DVD images from the wedding/event so that the Client may use them in any form they wish. The Client will be able to print off any image they like, in any size/form, etc.

Reproduction: The Client will be issued a full photography and print release so that they may reproduce the images in any way they see fit. This is not limited to print, social media, online media, and any other form of electronic reproduction. The images taken by the Photographer are for personal use by the Clients and their friends and relatives. An online gallery will also be provided to download, direct print, and share the images online.
